ALUMINUM FENCE FEATURES & BENEFITS

At Prestigic Fence Products, we understand that every home deserves a tailored design. That's why we offer solutions that complement any home's aesthetic while meeting all functional requirements.

Residential Grade

Aluminum Fence Picket and Rail Information

When it comes to aluminum fence picket and rail, you have a variety of options for both style and height. Additionally, you can choose between standard spacing or various picket options, such as doggie picket, double picket that stops at the middle rail, or full double picket.

Prestigic Fence Products

Like many of you, we started our fence journey when a family member- Dad, Mother, Brother, or Sister- put a fence tool in our hands and told us to go help. The fence industry has been built on generations of families building a business based on the community's and families' needs. The same is true about us at Prestigic Vinyl Creations. Dan Wilson started his journey in the fence industry with his dad while living in the great state of Michigan. As just a young boy, his dad put him to work helping where needed, not knowing he was equipping Dan with a lifelong profession; one that he would use and develop from the early days as a helper to an installer and then to owning his own fence company in Middle Tennessee in 1983. Dan and his wife Teresa saw the need for a new fence product category, PVC Vinyl. In 2000 Tennessee needed someone to fabricate PVC profile materials into finished goods so they equipped themselves to serve the fence industry as specialists in this category and haven't looked back. They began with the thought, "If you can draw it, we can build it" and have now been serving the fence industry for 36 years.

We at PVCFP have been blessed to grow our service area to the Mid-South region of the US over the years. We've grown from a small fence guy in Michigan to a trusted fence supplier now in Centre, Alabama for the many great people we call our customers. Please let us help you grow your business, one fence job at a time. We stock standard to custom PVC vinyl

fencing in many colors and standard residential Aluminum in black.

IRON SHIELD

Process

Manufacturer powder coats all pickets, channels and posts loose rather than assembled to ensure 100 percent powder coating coverage of all parts.

We package all panels, posts, and gates on skids with vinyl clips in between each panel to ensure no scratching. Then we wrap and heat shrink it to ensure your product gets to you damage free.

Lifetime Limited Warranty

Iron World Mfg. warrants to the original owner that all of our products will be free of manufacturing and material defects. Our powder coating finish on our aluminum fences will not peel, crack, chip, or blister for as long as you own the fence.

This warranty does not cover damages caused by improper use, application, or installation; abuse; alterations; negligence; vandalism; or acts of God. The warranty also does not extend to the normal weathering, slight discoloration, or chalking caused by prolonged exposure to the elements, mildew, or air pollution. There is no other express warranty except that stated herein.

This lifetime warranty is intended to cover original owners only and is not transferable. The original owner is covered by the warranty for as long as he owns and resides in the property on which the product was first installed. In the event of commercial or otherwise non-residential use, Iron World limits this product warranty to 20 years with a starting date of the original day of installation.

In case of a warranty claim, the owner must provide Iron World a written notice specifying the nature of the defect, along with proof of purchase, within 20 days of the failure. Iron World reserves the right to inspect the material in question to determine the validity of the claim. Defective material must be shipped to Iron World's facility for inspection freight pre-paid. If the product fails to conform to this warranty, Iron World will replace or repair the defective material at its discretion. Iron World shall not be liable or responsible for labor charges or other expenses whatsoever in connection with removal or installation of either the original or replacement product.

The above constitutes the complete limited lifetime warranty by Iron World and no other agreement, written or implied, is valid. No person is authorized to change or modify this warranty. Recoveries for consequential or incidental damages are hereby excluded.
